

Citect SCADA Configuration Training Syllabus

COURSE INFORMATION

LENGTH: 4-DAYS

In this hands-on, 4-day course, gain insight into Citect SCADA 2016 features and functionalities for your project design and become familiar with integrated engineering interface called Citect Studio. In this course you will learn how to design a project from start to finish and configure various features, including equipment hierarchy. This course includes hands-on practice with core plant operations like visualization, alarming, trending, security, reporting and ISA-95 equipment hierarchies.

Who should attend?

- People who want to become familiar with Citect SCADA project development techniques
- Citect SCADA users, including engineering staff, maintenance staff and plant supervisors
- Technical users who maintain and improve their installed Citect SCADA systems
- Managers who want more than a basic understanding of Citect SCADA
- Citect SCADA System Integrators and Designers

Objectives

- Create new projects
- Use Citect SCADA to communicate with an I/O device
- Utilize the benefits of an Equipment Hierarchy
- Create graphic pages and manipulate graphic symbols
- Generate and manage Alarms, Trends and Reports
- Troubleshoot and resolve problems encountered during the course
- Use the Online resources effectively
- Implement and discuss security for the project
- Back-up and restore a project

Prerequisites

- Experience in PLC control system design and/or programming is desirable
 - Familiar with the concepts of industrial automation
 - Familiar with Microsoft® Windows Operating Systems
-

Hotel and Accommodations:

Oakville location - Hampton Inn by Hilton Toronto-Mississauga West

2085 North Sheridan Way, Mississauga, Ontario, L5K 2T2, Canada

Phone: 905-823-8600

Rate: \$129.00 per night.

Please mention Wonderware Canada East **Corporate ID 560048219** when booking.

Laval Location - Hilton Montreal/Laval

2225, Autoroute des Laurentides, Laval, Quebec, H7S 1Z6, Canada

Phone: +1-450-682-2225 FAX: +1-450-682-8492

Rate: Please contact hotel for current rates.

Course fee: \$3,000.00 CAD per seat
